

NEW VELOCITY WORKBOOKS

Customized for personal experience.
Designed for value.

Successful sales training begins with a strong foundation.

To pair with New Velocity's video-based virtual training platform, our workbooks are crafted in small batches to enhance the user experience.

Studies have shown that learners retain more information from printed copy. Additionally, they are able to read faster, more accurately and comprehensively on paper.

KEY FEATURES

- Self-assessment
- Crafted in small batches for excellence
- Self-paced learning
- Sustainability
- Visual learning
- Morning meetings
- Chapter exercises
- Note-taking integration
- Short, content-rich chapters

Within each chapter, learners have access to customized exercises for additional practice. New Velocity Morning Meetings also follow each short, content-rich chapter for managers to engage their teams with just five short minutes of prep time.

Self-evaluation is available in each chapter to assess how well the information was grasped. This information is then readily available for managers to understand which chapters need to be reviewed as a team, again.

Hands-on learning anywhere, anytime.
